**HEAVY-DUTY**

# Stainless Steel Body

Adopt the brushed stainless steel, firm and high temperature resistance

**Large Capacity**  
**Available For Commercial And Household**

**Touch Screen**

**Stainless Steel**

**U-Shape  
Heating Tube**

**Exhaust Vent**

**Visible  
Glass Window**

**S.S#304 Shelf**

The image shows a black digital control panel with the Singmens logo on the left. To the right of the logo is a small LCD display showing '88.88'. Below the display are several control buttons: a power button, a fan speed button, a temperature up/down button, and a mode button. The panel is set against a light gray background.

Digital control system

The image shows a small, black and white shaded pole double ball motor. It has a cylindrical metal housing with a central shaft. A white plastic component is attached to the side, and there are electrical terminals at the bottom. A small label with technical specifications and a CCC certification mark is visible on the motor's housing.

maintenance-free Shaded pole double ball motor

The image shows a five-bladed fan blade made of a dark, metallic material. The blades are curved and have a central hub with a mounting hole. The fan blade is shown from a top-down perspective.

Low noise fan blade with top thermostability

The image shows a long, thin, U-shaped infrared heating tube. The tube is made of a dark, textured material and has two electrical terminals at the bottom. It is shown against a light gray background.

Energy-saving infrared heating tube

A close-up photograph of a stainless steel mesh tray filled with dried orange slices. The slices are arranged in rows and show a golden-brown, textured appearance. A hand is visible in the bottom right corner, holding the edge of the tray. The background is dark, making the tray and its contents stand out.
