The image shows a black digital control panel for Singmens. On the left, the brand name "Singmens" is printed in a white, stylized font. To the right of the name is a small LCD display showing "88.88". Below the display are several control buttons: a power button, a fan speed button, a temperature up/down button, and a mode button. The panel is set against a light gray background.

Digital control system

The image shows a small, black, rectangular shaded pole double ball motor. It has a central shaft with a metal cap and a fan-like structure on top. The motor is mounted on a black plastic base with two electrical terminals on the right side. A small label with technical specifications and a CCC certification mark is visible on the side of the motor.
