**Visible  
Glass Window**

**S.S#304 Shelf**

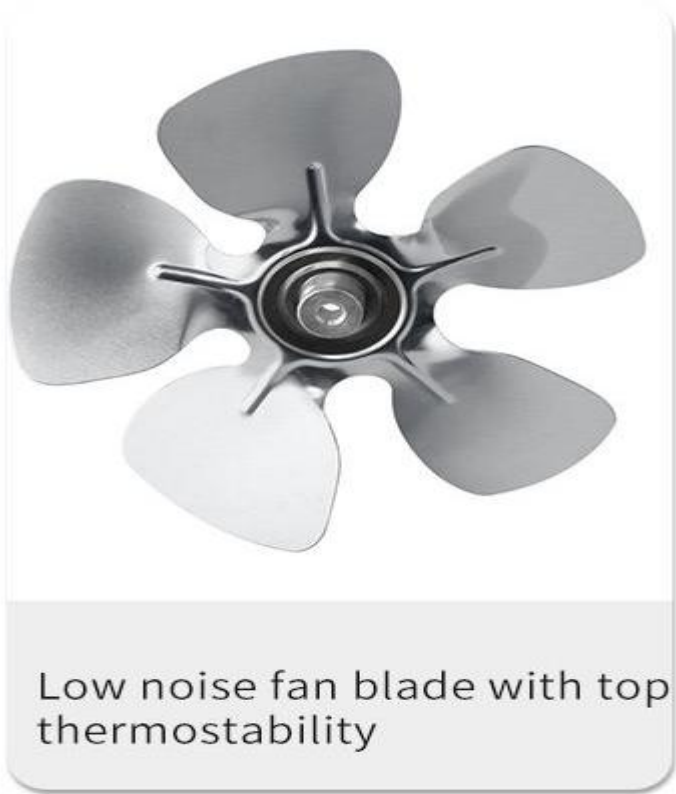

The image shows a black digital control panel for Singmens. On the left, the brand name "Singmens" is printed in white. To the right of the name is a small LCD display showing "88.88". Below the display are several control buttons: a power button, a fan speed button, a temperature up/down button, and a mode button. The panel is set against a light gray background.

Digital control system

The image shows a small, black, cylindrical shaded pole double ball motor. It has a central shaft with a metal cap and a white plastic housing. A label on the side contains technical specifications and a CCC certification mark. The motor is shown from a three-quarter perspective against a light gray background.

maintenance-free Shaded pole double ball motor

The image shows a five-bladed fan blade made of a dark, metallic material. The blades are curved and radiate from a central hub. The fan blade is shown from a top-down perspective against a light gray background.

Low noise fan blade with top thermostability

The image shows a long, thin, U-shaped infrared heating tube. The tube is made of a dark, textured material and has two electrical terminals at the bottom. It is shown against a light gray background.

Energy-saving infrared heating tube

A close-up photograph of a stainless steel mesh tray filled with dried orange slices. The slices are arranged in a grid pattern and are being held by a hand on the right side. The tray is made of SUS304 food grade material, as indicated by the text overlay. The background is dark, making the orange slices stand out.
