The image shows a black digital control panel for Singmens. On the left, the brand name "Singmens" is printed in a white, stylized font. To the right of the name is a small LCD display showing "88.88". Below the display are several control buttons: a power button, a fan speed button, a temperature up/down button, and a mode button. The panel is set against a light gray background.

Digital control system

The image shows a small, black, cylindrical shaded pole double ball motor. It has a central shaft with a metal cap and a white plastic housing. A label with technical specifications and a CCC certification mark is visible on the side. The motor is shown from a three-quarter perspective against a white background.

maintenance-free Shaded pole double ball motor

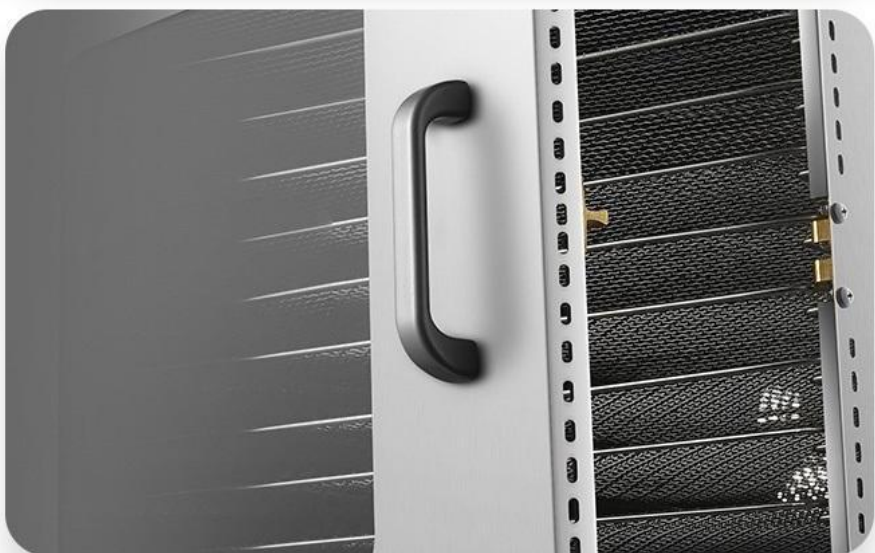

The image shows a five-bladed fan blade made of a dark, metallic material. The blades are curved and radiate from a central hub. The fan is shown from a top-down perspective against a white background.

Low noise fan blade with top thermostability

The image shows a long, thin, U-shaped infrared heating tube. The tube is made of a dark, textured material and has two electrical terminals at the bottom. It is shown against a white background.

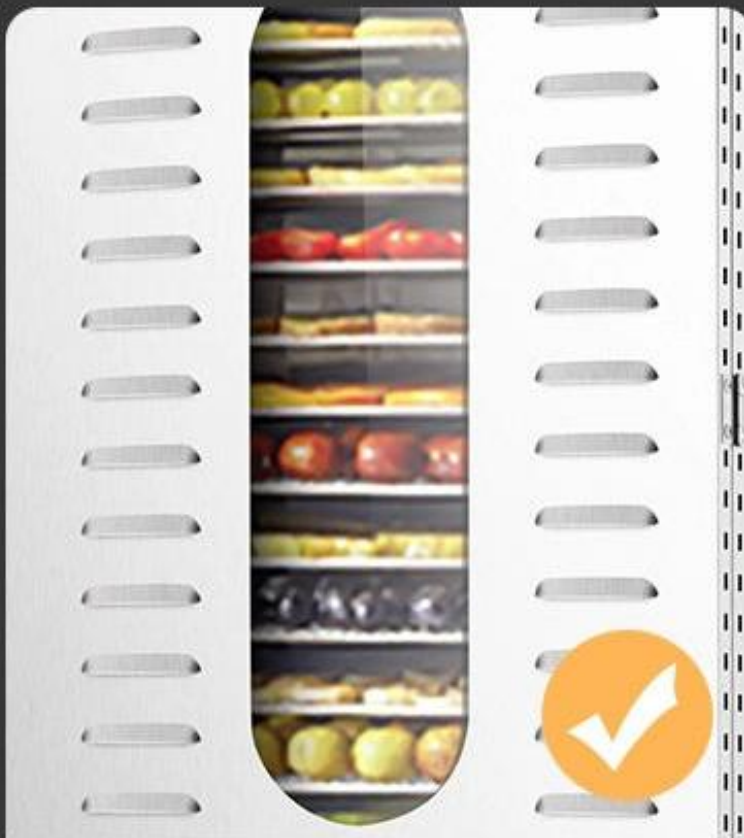

Energy-saving infrared heating tube

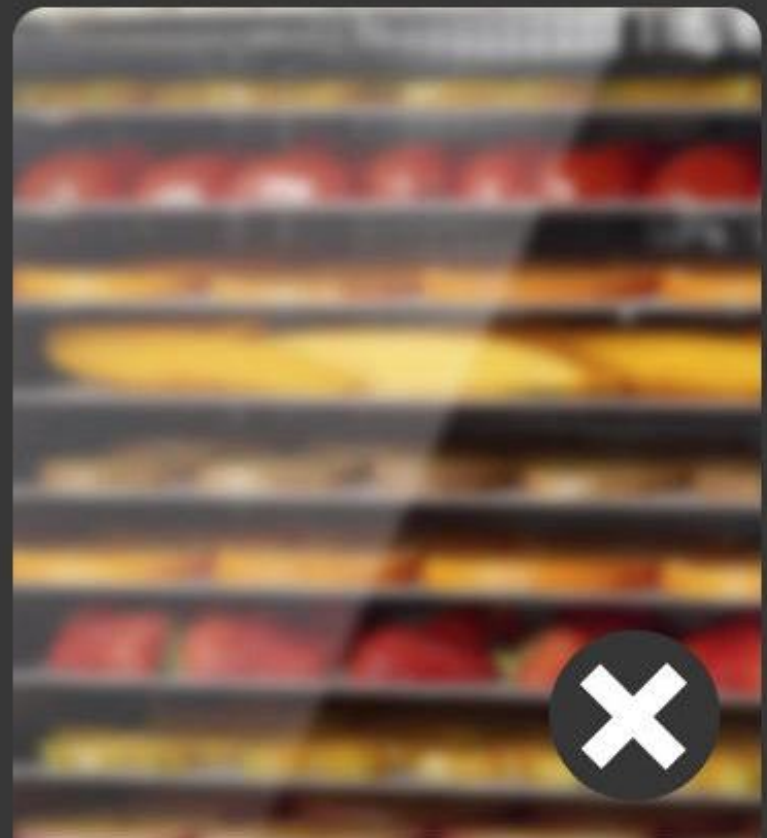

ENHANCED HEAT EMISSION TECHNOLOGY

HIGHER ENERGY EFFICIENCY
&
SHORTER DRYING PERIOD

An observable and quicker process

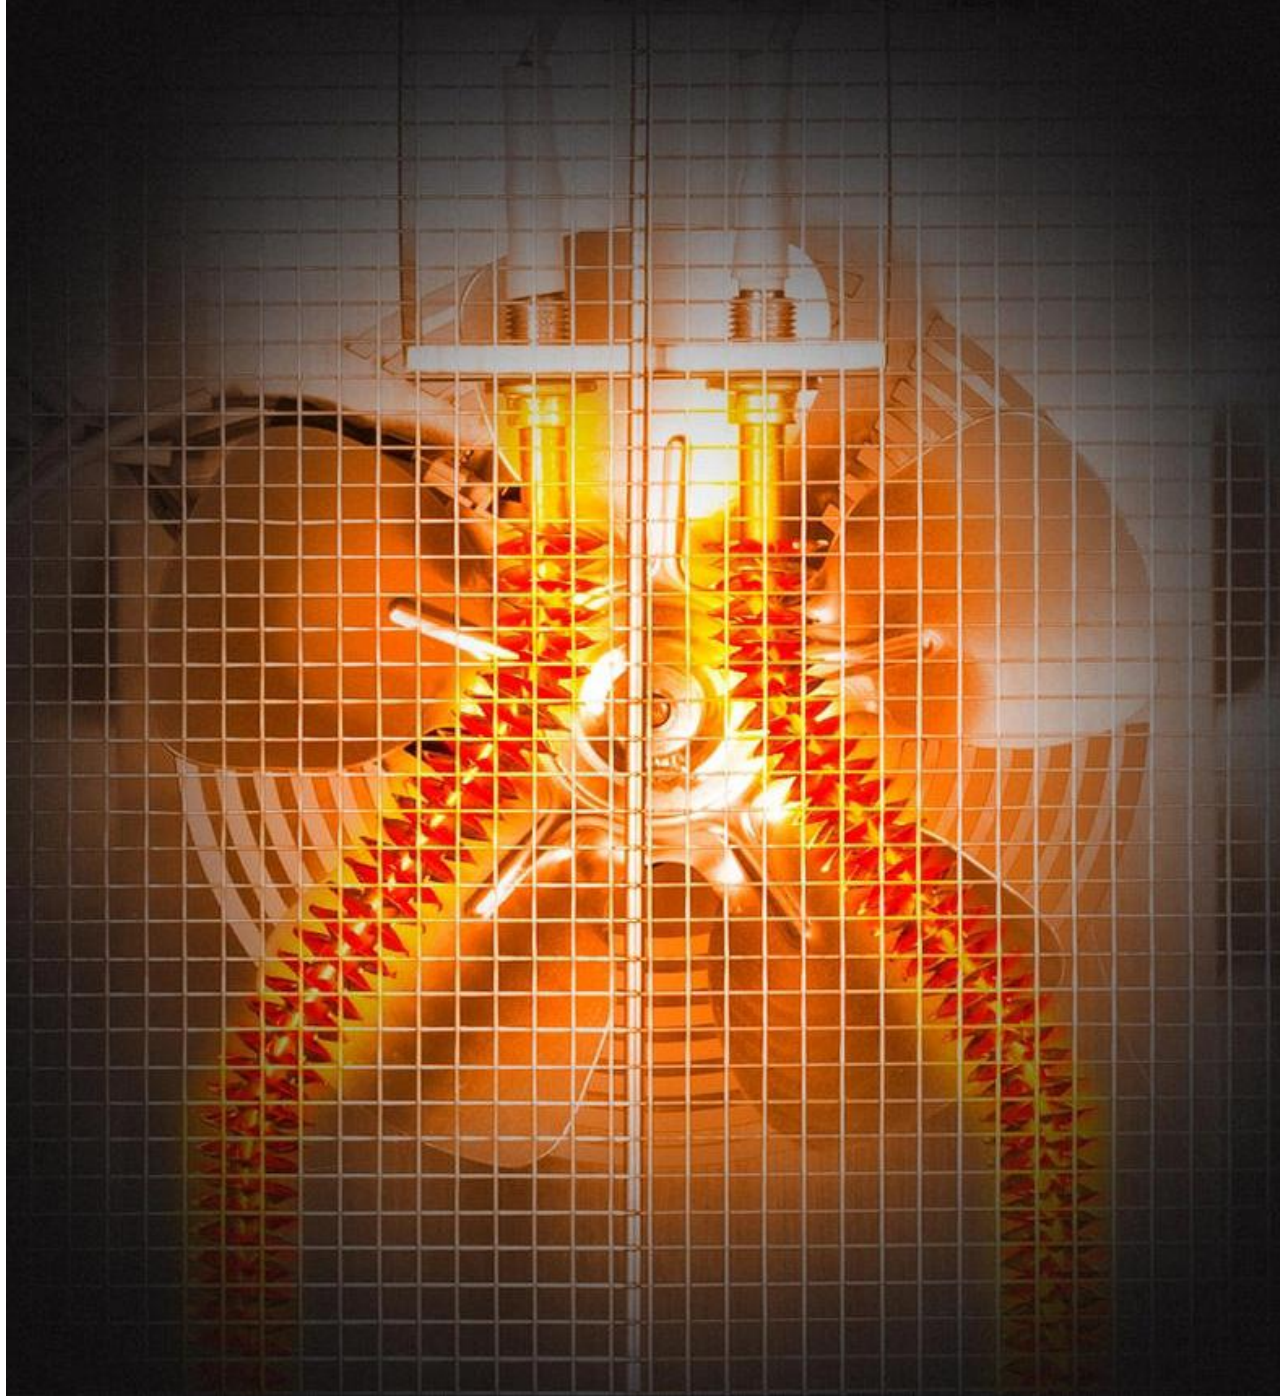

A longer drying process without air vents
